

Family, Friends & Fun In The Sun

Buying a Vacation Ownership is much more than just purchasing vacations and not being able to ever contact your sales rep again.... It's about knowing the services you get and knowing that you'll be taken care of even after your purchase.

Vacations are all about quality time with family and friends....

Our programs are also extended to Churches and businesses as well. We have various packages that we tailor to suit your needs as an individual organization.

Traveling In Style With CETAC

We are currently reaching out to various churches and businesses and other non-profit organizations large and small to offer discounted rates for travel and meeting space. We encourage you to visit our newly redesigned website at www.cetacvacations.com to take a look at what we have to offer.

We don't believe in high pressure tactics, what we do believe in is SERVICE. This is what we want to offer you. Already, we have assisted several churches and helped them save money on their youth retreats and lodging for workshops and meetings. Groups that were tired of paying \$80- \$300 per night, just to stay in those unsafe, confined hotel rooms.

We offer 4 & 5 Star Resorts Worldwide with the security and amenities that you've been looking for, all for the same price or less than hotels. Business travelers love to use us because it saves them time and money when they have last minute meetings.

Your organization could receive a Free Weekend visit to Williamsburg, Virginia for two just for giving us an opportunity to introduce ourselves to you. You will be able to see first hand what we have to offer.

In case you would like us to visit your organization, we provide seminars and workshops at your location, at no charge. We know that we are the best when it comes to providing the best care and updated information for you, no questions asked. Let us prove ourselves to you.

Imagine being able to send your church members, staff, family or friends on a vacation or even providing a beautiful location for a honeymoon, anniversary, employee reward, family reunion, group meeting, or training. The opportunities and locations are endless.

We have owner testimonials online on our website. Please feel to check them out for yourself and see how we have helped others. With over 700 clients worldwide, they all can't be wrong.
